

## 4.2 NATIONAL HOME ENDOWMENT FUND

### 1. BACKGROUND

In Western Australia membership of the National Home Endowment Fund (NHE Fund) is not compulsory. It is in other synods in Australia. Those in placement may use the NHE Fund and the taxation benefits that it provides.

### 2 ADMINISTRATION

The NHE Fund is administered by the Synod of Victoria & Tasmania on behalf of the Assembly. Contributions are set annually and these are deducted from the minister's stipend before tax.

Any initial queries regarding the NHE Fund can be made to

### 3 WESTERN AUSTRALIAN HOME ENDOWMENT FUND

In Western Australia there was previously a Western Australian Home Endowment Fund. This is now closed to new membership and once the remaining members draw down their entitlements the fund will be finalised.

Any queries regarding the Western Australian Home Endowment Fund should be referred to the Associate General Secretary (Resources).
