Cool Burn 3 Difference ... what difference?

Cool Burn is a place where people from all cultural backgrounds come together to experience God, make friends and share food. This is a camp where we share experiences and learn from one another regardless of cultural background.

This year we are going to explore what it means to be a person of faith, living in Western Australia in the year 2017.

Enjoy crossing borders by learning about other peoples' cultural backgrounds, ideas, faith, generations and justice through story, fun and all the while building new friendships.

Dive into the Bible: "Bushfire without burning – the man who talked to bushes" (Exodus 3).

Share in worship and praise.

"Cool Burn is a great place to meet new friends with different cultures and backgrounds. You can learn/share with each other, and find a new way of knowing God through inter-cultural relationship with each other."

Alvin, GKI Indonesian Uniting Church.
