

# NEWS & NOTES

SUNDAY 7 FEBRUARY 2021 EPIPHANY 5

*Election des douze apôtres* by James Tissot (1836-1902)

This week, we will read a section of Mark (3: 13 – 19) that is not in the lectionary. I will explore the dynamics of the new community that Jesus came to create and his model for the church in every age.

Several hymns speak to issues that are particularly relevant. They both centre on ‘we’ – not ‘me’ – as the central feature.

*We are your people; Spirit of grace,  
you dare to make us to all our neighbours,  
Christ’s living voice, hands and face.*

*Rich in diversity, help us to live  
closer than neighbours, open to strangers,  
able to clash and forgive. [Brian Wren]*

*Help us accept each other  
as Christ accepted us;  
teach us as sister, brother,  
each person to embrace.*

*Be present, Lord, among us  
and bring us to believe  
we are ourselves accepted  
and meant to love and live. [Fred Kaan]*

Jesus’s disciples could have sung those words, which express truths relevant to all Christians of every time and place. *Ian*

## GETTING TO KNOW THE POTTS FAMILY

Sharon and her husband, Neill, were both born in Northern Ireland and went to school together. They lived in Belfast for the first 20 years of their lives before moving to Edinburg, where married in 2003. Their two

children, Caden and Erin were born in Edinburgh and they lived there until 2019, when the family then moved to Perth for Neill's work.

Neil currently works for the WA Institute of Sport as one of three Performance Directors in the Senior Management Team.

Sharon, who recently obtained her registration in Australia, is presently working as a Cancer Services Pharmacist at the Royal Perth Hospital.

Moving to Australia was a significant event for the whole family.

However, prior to this Sharon and Neill would have said that having kids was their most significant life-changing event.

The whole family enjoys sport and various other activities like zip lining, rock camping, abseiling and archery to name but a few.

Cadan has competed in the kids Edinburgh marathon, whilst Erin enjoys gymnastics and skateboarding. They all love travelling and exploring; learning about the various histories and cultures on their travels.

Sharon was looking for a church in the area to bring her family to so that they might learn from the teachings of the bible, evolving the family's beliefs and thereby providing ethical guidance for the children.

They have been attending All Saints for about nine months at the time of writing this Profile.

**NOTE!** Cathy will continue working from home this week and she may be contacted on 9381 1282, or [floreatuc2@westnet.com.au](mailto:floreatuc2@westnet.com.au) between 9am-12pm Tuesday to Friday

### KIDS HOPE AUSTRALIA

We are now in our fourth year of partnership with Floreat Park Primary School mentoring young students with a variety of learning difficulties.

We have had some wonderful mentors and students and this year we will be starting back at school with four mentors.

Positive human relationships are the building blocks for a healthy development, yet many Australian children lack significant one-to-one relationships with caring adults.

Kids Hope Aus. is a mentoring program aimed at developing emotional and social resilience in children, thereby enhancing their capacity to learn.

If you are interested in spending just one hour a week with one student or if you would like to know more please contact either of our Coordinators - Amanda Brown Mob: 0434 260 117, or Rhondda Tilbrook Mob: 0407 085 937

**All you need is love and commitment to change a child's life.**
