### Welcome All!

We extend A Warm Welcome to all visitors worshipping with us today  
 There has been a tradition of not having morning tea served following Church Services in January, which gives our volunteers a break and also gives members the opportunity to invite other parishioners or visitors to their homes, or perhaps even to the Forum to enjoy coffee and a chat. We will continue this tradition in 2022.

**Happy New Year** to members of friendship groups. **Happy New Year** to those who are not in friendship groups. Those of us in groups would like the rest of you to join us.

The time has come for reorganising Friendship groups. Each group consists of about 10 members and our only agenda is being friendly. We have a variety of activities such as morning tea, lunch or afternoon tea in a home or another location or perhaps visiting a park or museum or restaurant.

Many in the congregation have found these groups a wonderful way of getting to know each other. We would like to have even more people involved. If you are not yet a member we would love you to join us. Please let us know if you would like to be included in a group by letting Lillian know –

email [glhadley@bigpond.com](mailto:glhadley@bigpond.com) or phone 0455148217.

**I'M FINE**

There's nothing whatever wrong with me  
I'm just as healthy as I can be  
I have arthritis in both my knees,  
And when I talk, I talk with a wheeze.  
My pulse is weak and my blood is thin,  
But, I'm awfully well for the shape I'm in.

My teeth will eventually have to come out  
And my diet I will have to think about  
I'm overweight and can't get thin.  
My appetite's so good it's bound to win  
But I'm awfully good for the shape I'm in.

I think my liver is out of whack,  
And a terrible pain is in my back,  
My hearing is poor and my eyes are dim,  
Most everything seems to be out of trim.

Arch supports I have for my feet  
Or I wouldn't be able to go on the street  
Sleep is denied me night after night,  
My memory is failing, my head's in a spin,  
But I'm awfully good for the shape I'm in.

My doctor says my days are few  
For every week there is something new.  
The way I stagger sure is a crime  
I'm likely to drop at any time  
I jump like mad at the drop of a pin,  
But I'm awfully well, for the shape I'm in

The MORAL is this, and this tale we unfold  
That for you and me we are growing old,  
It's better to say 'I'm fine' WITH A GRIN  
Than to let them know the shape we're in.
