THE UNITING CHURCH IN AUSTRALIA
Synod of Western Australia

MINISTRY LEADERSHIP PROFILE

Purpose:

The purpose of this profile is to:

- provide an opportunity for ministry leaders to clarify their sense of identity, the context in which they work best, their areas of giftedness where they can provide leadership, and their priorities for ministry over the next five to ten years.
- provide information which will enable the Pastoral Relations Committee & Placements Commission and Joint Nominating Committees to consider which context this ministry leader has the gifts and experience to best serve.
- It is designed to be used in the placement process with completed profiles of congregations (and position descriptions of other placement settings) based upon similar criteria. You are invited to share as much information as you are able in this format to enable the PRC and JNC's to begin to discern a matching of gifts, education, experience and passion for specific styles and/or settings for ministry.

MINISTRY LEADERS NEED TO FILL IN PAGES 1 – 8.

Boxes in the main profile can be expanded but you are asked not to expand boxes in the summary pages. When you have completed this profile, including the summary pages, please send it to the Presbytery Support Administrator, Amanda Badenhorst at Amanda.badenhorst@wa.uca.org.au so that the presbytery comments may be included.

THE PRESBYTERY PASTORAL RELATIONS COMMITTEE should completed pages 9-10.

This is not a public document but must be available to share with members of JNC's or other appointing bodies. Every effort will be made to restrict its circulation to those who need to have access to it. A copy will be retained on your personal file within the Presbytery of Western Australia.
