

Uniting Church in Australia  
Presbytery of Western Australia

Minutes of  
the Annual Meeting of  
the Presbytery of Western Australia  
held in the  
Cousins Hall, St Stephens School, Duncraig  
on 8 August 2020

## **1. CONSTITUTION**

On Saturday 8 August 2020 at 9.00 am, the Presbytery of Western Australia met in Cousins Hall, St Stephens School, Duncraig, the Chairperson, Bob Hunt, presiding.

There were 102 ministerial and lay members present. 33 apologies were submitted.

## **2. WELCOME AND ACKNOWLEDGEMENT OF THE TRADITIONAL OWNERS**

The Chairperson welcomed the members to this first meeting for the year as a result of earlier meeting cancellations due to the COVID-19 pandemic.

He paid respect to those whose have cared for this land since time immemorial and to the elders of the Noongar nation, past, present and emerging.

## **3. MEETING ARRANGEMENTS**

The Secretary, Revd Des Cousins, reported on the arrangements made for the meeting.

The Revd Des Cousins moved, it was seconded and agreed:

That the Presbytery:

1. Adopt the Order of Business for the meeting
2. Adopt the Roll of Presbytery attached to the Minutes of this meeting for the 2020-21 Presbytery year. (The Roll of Presbytery can be found on the Presbytery Meetings webpage and will remain there, being updated from time to time),
3. Appoint Margaret Martin and Doug Burtenshaw as Scrutineers for this meeting of the Presbytery.
4. Appoint Revd Kim Francis and Revd Toby Keva as Chaplains for this meeting of the Presbytery.
5. Authorise the Presbytery Standing Committee to confirm the minutes of this meeting of the Presbytery.
6. Authorise the Presbytery Standing Committee to act on all matters that are the responsibility of the Presbytery, including those excluded items in Presbytery Rule 3.1.2, if a public health warning in relation to the COVID-19 pandemic leads to the cancellation of any future meeting of the Presbytery.
7. Determine that the next meeting of the Presbytery be held on Saturday, 28 November 2020 at 9 am at a place to be advised.

## **4. OPENING WORSHIP**

The Opening Worship took the form of a Service of Induction for new members of the Presbytery Staff: Revd Dr David Ferguson (Presbytery Officer), Revd Dr Christine Sorensen (Presbytery Minister – Formation and Discipleship) and Revd Gordon Scantlebury (Rural Resource Minister).

The Chairperson led the worship and inducted the new staff. Revd Greg Ross was the occasional preacher. The Scriptures were read by Revd David Kriel (in Afrikaans) and Louise Sarah Powell. The symbols of

ministerial office were presented by Sione Lea'aetoa, Graham Wasley and Revd Clare Pickering. The Prayers of the People were led by Yvonne Robinson, Revd Hannes Halgryn and Revd Sophie Lizares. Mrs Elna Kriel played the piano.

## 5. RECOGNITION OF LAY PREACHERS

The Convener of the Candidates for the Ministries Committee, Revd Bev Fabb, introduced John van den Berg and Shirley Francis who had completed the requirements and achieved the competencies required for recognition as a Lay Preacher in the Uniting Church in Australia.

Each of the Candidates gave witness to their call to the Ministry of Lay Preacher and told of their faith journey.

Members of the Presbytery were invited to speak to the candidates over the morning tea break and to present any questions in regard to either or both of the Candidates to the Convener of the Committee, who would report on the questions asked and provide responses after morning tea.

Following morning tea, Revd Bev Fabb reported that she had received no questions in regard to the candidates for recognition as Lay Preachers

The Revd Bev Fabb then moved and it was seconded:

That the Presbytery:

1. agree to recognise John van den Berg as a Lay Preacher and request the Chairperson of Presbytery to arrange for this to be acknowledged in a service of worship, including presentation of a Certificate of Recognition as a Lay Preacher.
2. agree to recognise Shirley Francis as a Lay Preacher and request the Chairperson of Presbytery to arrange for this to be acknowledged in a service of worship, including presentation of a Certificate of Recognition as a Lay Preacher.

A secret ballot was conducted as required by the Presbytery procedures and both Candidates were unanimously approved for recognition.

The Presbytery agreed to add Shirley Francis to the list of Lay Preachers elected as members of Presbytery.

## 6. PRESENTATION OF CERTIFICATE OF COMPLETION OF STUDIES

At the direction of the Presbytery Standing Committee, during the period when the Presbytery was not able to meet due to the pandemic, the Presbytery conducted an electronic poll (114 votes were cast, which exceeds the quorum for a Presbytery meeting (one-third of the members), so the ballot was valid) on this proposal:

*“That the Presbytery of WA agree to ordain Sione Lea'aetoa as a Minister of the Word, subject to him receiving a Certificate of Satisfactory Completion of Studies from the Assembly and being called to a placement.”*

114 votes were in favour of the proposal and 0 (zero) votes were against the proposal. The votes in favour exceeded two-thirds of the votes cast, the previously approved requirement of this Presbytery to approve readiness for ordination. The proposal was therefore approved.

Revd Dr Anne Wright, Director of Education and Formation, reported that a certificate issued by the Assembly to mark the Completion of Studies for the Ministry of the Word by Sione Lea'aetoa had been

received. The Certificate was presented to Sione and the Moderator of the Synod of Western Australia, Revd Steve Francis, who has been Sione's mentor during his candidature, led the Presbytery in prayer.

Sione's ordination now awaits only a placement being arranged.

## **7. PRESBYTERY STANDING COMMITTEE**

Revd Lorraine Stokes, past chair, presiding.

The Chairperson of Presbytery, Bob Hunt, presented the Standing Committee report which was received.

The Chairperson expressed the appreciation of the Presbytery to the Staff (the Presbytery Resource Team!) for their work in resourcing Ministry Agents and Congregations during the pandemic lockdown stages.

## **8. THRIVE MISSION COMMITTEE**

The report of the Committee was presented by Revd Greg Ross and was received.

The resource document "A Theology of Property and Resources" has been completed and copies are available.

Following the Presbytery request in 2018 for every ministry agent and Church councillor/elder to complete the Mission Shaped Ministry Course by the end of 2020, Greg Ross announced that 113 have completed the course so far and members are invited to take up the further options being offered for participation.

The Committee Chairperson advised that it is not the Committee's present intention to seek to make the Mission Shaped Ministry Course compulsory, though it is noted that the Vic/Tas Synod now requires a Minister to complete the course before a new placement and Congregations before issuing a call.

## **9. RULES FOR CANDIDATES FOR THE MINISTRIES COMMITTEE**

Revd Bev Fabb moved, it was seconded and agreed

That the Presbytery:

- (a) agree to the Rules for the Candidates for the Ministries Committee being changed to allow for:
  - up to five members to be elected by the Presbytery, and
  - for the five members and the Chairperson to be elected for 3-year terms with one-third of the membership being elected each year.
- (b) authorise the Presbytery Standing Committee to approve the re-worded Rules incorporating the Presbytery's decisions in principle.

## 11. RURAL MINISTRY REPORT

The report was presented by Revd David Ferguson on behalf of himself and the Revd Gordon Scantlebury.

The period to May 2020 was largely absorbed in the production of materials and other assistance to rural Congregations and Faith Communities when travel was restricted and personal attendance not possible.

As the travel restrictions have been eased, contacts with Congregations and regions have increased. Longer term plans are now being implemented.

## 12. A POST COVID-19 CHURCH (led by Revd David Ferguson)

Presbytery members were invited to reflect upon the most life-giving learnings that they had from this period, and what they would like to carry into the future. This was shared in small groups, who reported back to the plenary session. The responses could be gathered into a number of key themes including:

- The establishment or utilisation of existing intentional pastoral care structures
- Intentional provision of worship resources and news around the congregations
- Communicating in a manner which best suited members of the community, often needing to use multiple means of connection
- The importance of smaller gatherings in the periods where these were available
- Some people remarked that this revealed that our congregations showed a greater capacity for change than expected, and some used this time as an opportunity to put long term plans into practice
- It was also noted that some communities, particularly those in Indigenous areas, were not able to access online resources

The Presbytery Resource Team's response to the emerging situation was outlined, highlighting:

- Four simple areas of focus – webpage
- Thrive prayer activities
- PRC phone calls, treasurer support (temporary)
- Worship resources
- Zoom training sessions – on to use for lay presidency training
- Intentional focus of safety advice - Church Council responsibility

Members were then invited to reflect on three questions regarding the shape of our ongoing work as a Presbytery and invited to submit responses via SurveyMonkey

### **What are the measures where congregations may assist each other in maintaining/growing new areas of Ministry?**

Sharing ideas; only some churches are good at technology; some congregations have better connections with other denominations in their communities; personal contact from presbytery was really good.

Creating networks of sharing.

Share live streaming OR people enjoy having multiple options; get different theologies

The experience is that the preference is to either have locals leading and preaching OR go for the world-class preachers and musicians ... most of us are unable to provide that quality to others .... so rather than trying to stream to other groups, continue to raise the local competency and courage to have a go

Different congregations working together - sharing resources. Different local churches joining hands - Kalamunda (Church links) Sharing strengths and ministry

Share technical expertise hubs idea for other congregations to link in (may need to be able to register) Keep a list up to date of who is doing what Cluster congregations together to share ministry Link that shares success stories

Moving offerings online and electronic. Helping to see Church as evolving and diverse communities.

Share understanding more meaningfully with the multicultural congregation- music clubs to learn new traditions - incorporating more inclusion of other language and cultural traditions Sharing of messy church ideas - cooperation between congregation

### **Is there anything that Presbytery Resource Team has been offering that we particularly need to continue?**

Personal contact from Presbytery was really good, particularly for congregations without ministers. Written communication does not have the same feel. Online worship resources were really helpful. Maybe Presbytery can help congregations with using technology.

Online refreshers to reduce travel/carbon footprint/etc

Resources are good, make sure range of theological perspectives available. Connectedness of Presbytery with congregations so helpful

Carefully curated material ... there is some frustration that being swamped with links to stuff that has not actually been road-tested or used by the "recommender" is not helpful ...

Thursday Zoom meetings Lay education Case studies and examples of what worked in other settings

Coordination of clustering arrangements Coordinating groups to work together in ministry Publishing the success stories, especially for promoting congregations to work together.

Zoom meetings for lay leaders. Lots of us still work so weekday meetings were hard

Creation of electronic resources in other languages and using the existing multicultural resources in our multicultural congregations Online community to share messy church resources and ideas - ways for congregations just to share ideas - keep it simple - maybe even just emails - email list of messy church contacts Lay leaders online was really useful

### **Any new areas we would like to pick up?**

Big question. We need to plan for possibly going back into lockdown.

Work more intentionally towards regional hubs providing digital resources for congregations (domain space, web support, etc)

Churches discovered their IT resources lacking, so ongoing help

Assistance in upgrading audio visual equipment, e.g. better microphones and speakers for meetings

Resourcing Zoom Pioneer ministries resourcing Assistance to struggling ministries

How do you do Confirmation classes without a Minister?

Developing opportunities for horizontal rather than top down sharing

### **Electronic Ministry Task Group**

David then introduced the members of the Electronic Ministry Task Group, and introduced the outcomes and priorities gathered in their first meeting.

#### **Immediate actions**

- Work to determine a basic package of technology suitable for transmission of worship, and also the training materials required. Keeping notes of this process may be useful for other purposes.
- CEDAL is reviewing the current list of linked worship services from their page
- David Beards would be happy to work on transmitting high point services on behalf of the Presbytery or Synod.

- David Beards would also be happy to develop and source standard (basic and serviceable) packages for both broadcast and reception of broadcast services if sufficient demand exists—about ten congregations indicated interest in each category
- David Beard would be happy to present a technical session at a Presbytery meeting
- Don Dowling would be happy to present a basic media presentation workshop if congregations desire, and also an editing workshop.

#### **Requiring more extensive work**

- Develop a prominent “front page” for those congregations offering electronic ministry – extending to such things as Bible studies also
- Develop a clearinghouse of copyright approved electronic resources to contribute to services (many already producing these)

If you have further suggestions, or would like to join this committee in their work, please contact David Ferguson ([david.ferguson@wa.uca.org.au](mailto:david.ferguson@wa.uca.org.au))

### **13. TREASURER’S REPORT**

Ps Marilyn Price presented the report.

The final financial outcome of the 2019 year was a surplus of \$274,274, representing the unspent portion of Mission and Service contributions, largely brought about by the delay in filling budgeted Presbytery staff positions until this year. The surplus is held in the newly created “Presbytery Reserve Account” but will probably be spent in 2020 to offset the expected Presbytery deficit due to COVID-19 impacting on the income level.

The approved 2020 budget has been recast to take into account the loss of income expected. However, recent developments will change that again, the Church having become eligible for Jobkeeper subsidies for both ministerial and administration staff members from 1 July 2020.

While a working budget for the remainder of 2020 is in place, there is much uncertainty about 2021. Intense activity is expected in the coming months and a budget for 2021 will be presented at the November 2020 meeting of the Presbytery.

### **14. MISSION AND SERVICE CONTRIBUTIONS**

Revd Lorraine Stokes, past chair, presiding.

Bob Hunt moved, it was seconded and agreed:

That the Presbytery:

1. Determine that, in order for the Presbytery of WA to continue to support and resource Congregations, Faith Communities and Ministry Agents across the Presbytery, Congregations are to make an annual Mission & Service (M&S) contribution to the Presbytery of WA.
2. Determine that, as a guide, the minimum annual Mission and Service contribution by a Congregation is to be:
  - at least 10% of their income (both offerings and net property income),
  - less total amounts paid to all Ministry Agents (Reg 3.1.1(c) (vi))
  - with the percentage to be reviewed annually by the Presbytery but not less than \$5,000 pa.
3. Acknowledge with thanks the Congregations currently giving in excess of the guided minimum annual amount and encourage them to continue to do so.

4. Request any Church Council that finds the minimum guided amount will create financial hardship to discuss their situation with the Presbytery Treasurer.
5. Note that while Faith Communities are not required to contribute to Mission and Service, they are encouraged to do so as they are able.

## **15. COMMISSION ON EDUCATION FOR DISCIPLESHIP AND LEADERSHIP**

The Revd David Kriel presented the report which was received.

Despite the restrictions imposed by the COVID-19 pandemic CEDAL has maintained its programs and has been able to adapt many of its activities for delivery by video-conferencing technology.

## **16. THANKS TO THE REVD BEV FABB**

Revd Dr Anne Wright moved, it was seconded and agreed:

That the Presbytery acknowledge with thanks the work of Bev Fabb on the Commission for Education for Discipleship and Leadership (CEDAL) from 2013-2020.

The motion was carried by acclamation and a gift was presented.

## **17. PASTORAL RELATIONS COMMITTEE**

The report of the Committee was presented by Revd Mark Illingworth and Revd Alan Jeffrey.

A question was asked of the Committee relating to supply ministers not being available to be called to the vacant placement in which they have been working. This matter is dealt with in the "National Handbook of Procedures for the Placement of Ministers", clause 8.1. There it is indicated that such calls "will not normally" be considered and Ministers interested in a call to such a Congregation should not allow their name to be considered for supply, or, if already in supply, should withdraw from that arrangement.

The report was received.

## **18. CLOSURE OF THE WEMBLEY CONGREGATION**

The Revd Mark Illingworth, Convener of the Pastoral Relations Committee, moved and the Revd Alan Jeffrey, Presbytery Minister – Pastoral, seconded:

That the Presbytery:

1. dissolve and cease to recognise the Wembley Congregation in accordance with Regulation 3.4.3 by 31 October 2020, because, in the opinion of the Presbytery, the Congregation can no longer fulfil the purpose, functions and responsibilities required of a Congregation under Regulation 3.1.1.
2. give thanks with deep gratitude for the faithful worship, mission and service of the people of the Wembley Congregation.
3. (a) authorise the Pastoral Relations Committee to appoint a consultant to work with the Congregation in determining what course of action (if any) the Congregation wishes to take as a group.  
  
(b) request the Pastoral Relations Committee to ensure in accordance Reg 3.4.3 (d):

- (i) that each member and adherent of the Congregation is transferred to a roll of another Congregation;
  - (ii) that all rolls and other records of the Congregation are placed in the custody of an appropriate officer of the Church;
  - (iii) put the management of the property into the hands of the Presbytery Property Committee (a function of the Thrive Mission Committee); and
  - (iv) report the matter to the Synod of WA.
- (c) conduct a service of worship to celebrate the life and witness of the Wembley Congregation and mark its dissolution.
4. Take no action on the request of the Congregation for an extension to the placement of Rev Anne McAndrew and determine that the placement will end on 31 October 2020 or on the dissolution of the Congregation.

The Revd Mark Illingworth led the Presbytery in prayer and there followed many questions and comments from members of the Presbytery.

The proposal was approved by agreement and the Revd Alan Jeffrey led the Presbytery in prayer.

## **19. CANDIDATES FOR THE MINISTRIES COMMITTEE**

The Revd Bev Fabb presented the Report which reported happily on the increasing number of candidates for the ordained ministries while indicating that the growing numbers were increasing the demands on the Committee members and others to act as mentors, contact persons and members of Formation Panels.

The Report included an expression of thanks to Margaret Donovan who has retired recently as the Convener of the Committee and has been instrumental in bringing about improvements and efficiencies in the Committee's work.

The Report was received.

## **20. CEASE TO USE ZOOM AT PRESBYTERY MEETINGS**

The Revd Lorraine Stokes moved and the Revd Greg Ross seconded:

That the Presbytery:

- (a) Determine not to permit the use of Zoom technology as a substitute for Presbytery members personally attending and being involved in the discussion, discernment and decision-making processes of a Presbytery meeting.
- (b) Offer "viewing ability" only by Zoom technology to members of Presbytery whose personal attendance at a Presbytery meeting is problematic due to distance, health or other compelling reasons.

The proposal was not approved.

An alternative proposal approving the use of Zoom was deemed unnecessary and was not proceeded with.

## **21. INCLUSION OF PLAIN ENGLISH TEXT**

Kalo Fotu moved and Ps Elaine Ledgerwood moved:

That the Presbytery of WA require reports and proposals to be accompanied by a plain English statement.

The proposal was approved.

## **22. THANKS AND ACKNOWLEDGEMENTS**

The Chair of Presbytery, Bob Hunt, thanked and acknowledged all those persons who had contributed to the smooth running of the meeting.

## **23. CLOSING DEVOTIONS**

Bob Hunt led the closing prayer and closed the meeting at 4.15 pm.

*Confirmed by the Presbytery Standing Committee (ref Minute 3.5)  
as a true and correct record.*
