Introduction to the New Testament
with Rev Dr Robyn Whitaker

Are you a lay preacher who would like to learn more about the New Testament?

Are you a minister who studied New Testament over a decade ago and would like to update your knowledge?

Are you simply interested in learning skills for reading the Bible from a great New Testament scholar?

Come and join our pilot Learning Hub!

The Commission for Education for Discipleship and Leadership (CEDAL) are trialling a new idea in the second half of the year, joining Rev Dr Robyn Whitaker's *Introduction to New Testament: Stories, Texts, Beliefs* unit. We'll meet together to work through the preparatory material each week and then join Robyn's online tutorial.

The Learning Hub will be auditing the unit – *that means no essays, no assignments, just the fun of learning and good discussion.*

Course dates are on 12 x Thursday evenings
between 3 August to 2 November - all via Zoom!

Cost - \$100 | Register by 15 July
