REPORT

During the past year, the Committee has not been called upon to review amendments to the constituent documents of Church organisations or schools – no doubt reflecting the preoccupation of these bodies with managing external demands, particularly those resulting from the COVID-19 pandemic.

Some progress was made in the first half of the year on reviewing and updating of By-Laws and Presbytery Rules. However, the Committee has not been able to take the review project forward during the second half of the year.

Ian Passmore has reached the end of his term of service on the Committee, and we thank him for his service over the past 10 years.

There are two vacancies on the Committee, and it would greatly assist the work of the Committee if new members can be found to fill these vacancies.
