Message from UCAF National Committee

At the 2024 UCAF National Gathering held in Adelaide it has been agreed that we would inform the Uniting Church Assembly Standing Committee that we have begun the process to conclude the ministry of the UCAF National Committee, effective from 30 June 2024.

As the value of fellowship groups is important to the Uniting Church, Synod Committees and UCAF groups will continue to operate across Australia.

Further updates will be released when appropriate.

Thank you,

Margaret Pedler
