

Covenant in Action

The site at Beananging Kwuurt Institute (BKI) is being prepared in anticipation of establishing a Healing Centre for WA Stolen Generations and their families.

The site is in need of some attention.

Let's help make it more welcoming!

Come along to a busy bee:

Saturday 24 May, 9.00am to 2.00pm

**Beananging Kwuurt Institute
174 Treasure Rd, Queens Park**

Help is needed with the following:

- People with all kinds of gardening tools who love to garden to help tidy garden areas and clean up litter.
- People to donate bags of mulch and compost
- People to prepare garden beds for planting
- People to help with paving and stacking paving bricks
- People to provide refreshments - morning tea, lunch or drinks.

If you can help, please contact:

Carolyn Ebell - ceb15225@bigpond.net.au
or phone 0409 320 041 (after hours)
